DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tim Van Dyke on 12/11/2006.

The application has been amended as follows:

In claims 1, 3, 11, and 14, please change each recitation of the word "proximate" to -- proximal--.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art made of record did not disclose or render obvious a liquid delivery catheter comprising a retractable device, a liquid impermeable barrier and a squeezable material as recited in claim 1. The prior art also did not disclose or render obvious a liquid delivery catheter comprising an inner catheter with a retractable device that includes all of the limitations recited in claim 14 and a syringe. The prior art also did not disclose or render obvious a method of using each liquid delivery catheter including wetting the retractable device with a liquid agent and delivering the agent to the area of need.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
